REGISTRATION, FINANCIAL AND OTHER POLICIES

Please read the following policies carefully before registering. It is important to us that you choose a program that is well suited to fit your needs, and it is necessary for everyone to abide by the policies laid out in this brochure.

PRE-REGISTRATION: Please remember that lessons are filled on a first come, first serve basis. You may reserve spaces, change class time/day, and make payments up until pre-registration closes which is on the Wednesday prior to the start of each session. Once pre-registration closes, you can “deck register” during lessons with the site supervisor on a first come, first serve basis and only if space is available.

REFUND/MAKE UP POLICY: Sorry, there are no refunds. Due to the fact that we hire coaches and reserve pool space based on our registration income, we cannot refund. We are unable to make-up lessons for stations #1-6 while maintaining small class sizes. Occasionally we can make-up an academy class ONLY WITH PRIOR AUTHORIZATION FROM YOUR SITE SUPERVISOR.

CREDIT POLICY: SwimAmerica credit for swim lessons will be issued ONLY for extended illness with a note from your doctor, or when there is a pool closure. Credits will NOT be issued for conflicts with other activities or vacations.

WITHDRAWL/RESCHEDULE: In order to withdraw from a pre-registered swim class and receive a SwimAmerica credit, notification must be made at least one week prior to the start of your term. In order to re-schedule a class; changes must be made before the pre-registration deadline and are subject to program availability. Please choose times and dates carefully.

OBSERVATION POLICY: For insurance purposes, and in the interest of effective teaching, anyone wishing to observe lessons is required to sit in the designated viewer area (see your site supervisor for direction).

WAIVER: We need to have the most up-to-date emergency information for your child. Please read all of our policies carefully, fill out the waiver and return it with your registration.

STATIONS: Our unique system is designed so students progress at their own level, often independently of each other. This means that swimmers will not always have the same coach. Please help with transitions by preparing your child ahead of time, and reassure them that all SwimAmerica coaches are well trained, kind and caring. If a personality issue does arise, please notify the site supervisor so we can rectify the situation.

SWIM AMERICA CERTIFICATE: Your child will receive stickers to place on this certificate as they pass each station. This is a fabulous tool to keep kids motivated! You can also reinforce class criteria at home by reading the back of your certificate with your child.

EQUIPMENT/UNIFORMS: All swimmers should wear proper fitting suits during lessons. Long hair should be tied back or in a swim cap. For many swimmers, goggles are helpful. Swimmers in Academy Classes classes need swim training fins (not scuba fins) to help aid them in learning the more complicated stroke techniques. All necessary equipment can be purchased at the swim shop at Kennedy Club Fitness.

PICKING UP YOUR CHILD: When leaving an older child for a lesson, please remember to drop off and pick up no more than 10 minutes before or 10 minutes after the program. Any child dropped off 10 minutes before or picked up 10 minutes after a program will be charged child-care fees.

IF YOUR CHILD HAS BEEN ILL or has had a fever within the last 24 hours, please do not bring him/her to the pool. When there is a vomit or fecal incident in the pool, the pool must be closed causing great inconvenience and financial loss.
