

What Your Membership Includes

Joining Kennedy Club Fitness on our inclusive membership plan gives you complete access to all four club locations. Your membership includes a supervised fitness orientation program to help you get started on a safe and efficient exercise program, appropriate for your needs. (See “Getting Started).

In addition to your membership plan, we offer discounted plans for your spouse and children who are ten years of age or older. Senior, student, military, corporate and group plans are also available.

Want to Save 50% OFF Your Membership?

We are often asked what is the BEST rate offered for a membership. That rate is our **Country Club Privileged Account. (CCPA)**. When you join as a CCPA member, you automatically save **50% OFF your annual prepaid dues for yourself and immediate family members who live in your home!** Plus, you **save an additional 15% OFF select club services and products** such as Personal Training, Childcare, Pro Shop, Swim Lessons and more! CCPA members may also reserve classes, swim lanes and racquetball/squash courts a full week in advance.

Speak with a Membership Counselor today to find out you can become a CCPA member today!
