

# Starting November 1<sup>st</sup>, 2018

**Change in price for Kidz Club Paso Robles:**

**\$24.99/month for 12 months if enrolled before November 1<sup>st</sup>**

**\$29.99/month if enrolled November 1<sup>st</sup> or after**

Kidz Club Paso Robles will move to a MONTHLY subscription fee.

**Who:** all Members and Staff

**What:** Kidz Club will have a family subscription for Kidz Club, at a rate of \$24.99 per FAMILY per month for 12 months, if the family signs up for the subscription during the introductory period of now-October 2018.

Rates will increase to \$29.99 after the introductory period, or if sign up occurs AFTER October 31<sup>st</sup>, 2018. Members are still welcome to pay per hour, per child, at a rate of \$6/hour. Payment will be due day of service; free hours will be eliminated.

**What's included?:** Each family can use Kidz Club ANY DAY for up to 3 hours per child, 7 days a week in Paso Robles. This fee is PER FAMILY so if you have one child or four, the price is the same! Please note this is not transferable to other families/friends at check-in.

**When:** This service will start November 1st 2018, and past due hours will need to be caught up, and any remaining hours will be transferred to monthly based on the number of hours left and the amount they were purchased for. For example:

15 hours left on a card purchased for \$66:

\$33 will be credited to the monthly service.

**Why:** This change will allow us to spend MORE time hands on with children, rather than doing paperwork. Members will be able to use the Kidz Club any day without worrying about using up hours or having hours available. This change will also allow us to have more employees to enrich the experience for the member's children.

Cancelling subscription will follow the same guidelines as membership services.
